

2020 FALL LEAF & BRUSH COLLECTION

******* Brush will only be collected during the last week of leaf pick-up. The crew will only make one round of the township. *******

****** DO NOT MIX BRUSH AND LEAVES TOGETHER. IF YOU DO, IT WILL NOT BE PICKED UP. ******

Leaf Collection – October 12th – November 30th

1. Rake your leaves to the edge of your property (along the road) and the leaves will be picked up by the Township's Leaf Vacuum. **Leaf piles must be kept away from mailboxes, trees, poles, signs and fences.**

2. Put your leaves in paper bags and place them along the road for pick up.

- Any paper bag may be used. Large paper yard bags are available for purchase at local stores.
- Bags over 50lbs. will not be collected.
- Please do not use tape to seal the bag.

Brush Collection – brush must be out by November 15th, or it will not be picked up.

- Brush should be less than six feet in length.
- Pile brush & limbs together. Small twigs must be bagged – separate from the leaves.
- The collection crews cannot collect whole cut trees.

The Buckhorn Recycling and Compost Facility will accept yard waste during hours of operation. All drop off fees apply. Call the IRC at 942-7472 for fees or check online ircenvironment.org.

*****Grass clippings are not included in this pick up.***
Absolutely No Pick Up After November 30th!!!**
